What's New (and Old) at Lakeview... Indoors & Out

Office Mini-Makeover. The office recently underwent a mini-makeover featuring fresh paint, comfortable furniture and a new coffee/snack station. A large "re-discovered" historic print of the Park now adorns a wall in the office, with another displayed in the conference room. The office is located just to the left of the main gate, inside the original farmhouse built in 1820. The Park itself officially opened as a cemetery in the year 1930.

Mirror Lake Section. For generations, families have chosen Lakeview Memorial Park as a place where cherished memories live on in a setting of natural beauty. Our newest garden section offers abounding beauty—sitting beside tranquil Mirror Lake and the soothing fountain. To learn more about this premier location, please contact our **Family Service Advisor Hank Kasper at (856) 829-3553.**

There is peace in pre-planning...
