NEW SECURITY SYSTEM

There will be a new security system put in place that will require entirely new keys for entry. We will begin handing out these keys on **Monday, March 6th**. Please stop by our office during business hours to get your new key.

The anticipated date for the security system to be operational is **April 10th**. Beginning at that time, the only way to enter will be with a key.

Please Help Us With Our Records

Over our more than ninety years of service, we have accrued many records. These are now preserved online for posterity and genealogical purposes.

We would like you to help us to add to that volume with any obituaries, pictures, or information you would like to have saved online for future generations. Also, we are able to add information into our web cemeteries database for any family members interred here at Lakeview prior to 2010.

If you are willing to contribute, please contact our helpful staff at **(856) 829-3553** or by email at info@lakeviewmemorialpark.com.

Lake Dredging

As the result of regular silt accumulation, it was necessary to have our lakes dredged again. The work was completed in late December. The cost was \$300,000, including State permits.

Pre-Needs

WHY DO PEOPLE PRE-PLAN THEIR CEMETERY ARRANGEMENTS?

Peace of Mind: Putting your house in order will give you and your family one less thing to worry about.

Together, not alone: Such an important decision can be discussed, and ultimately made, with your loved ones now.

Take the burden off of your loved ones: Pre-planning your arrangements eliminates the question, "Where would he/she want to be and what is the best decision?"

No emotional overspending: You choose the location that is best for you and the amount you want to spend.

Avoid Inflation: Purchase at today's price and avoid any increases that inflation may add to the cost in the future.

*To talk with a family pre-needs counselor about any questions you might have
or to schedule a tour of our park, call us today at 856-829-3553.*
