PRE-NEEDS

Why do people pre-plan their cemetery arrangements?

Peace of Mind: Putting your house in order will give you and your family one less thing to worry about.

Together, not alone: Such an important decision can be discussed and ultimately made with your loved ones now.

Take the burden off of your loved ones: A pre-planned choice eliminates the question, "Where would he/she want to be and what is the best decision?"

No emotional overspending: You choose the location that is best for you and the amount you want to spend.

Avoid inflation: Purchase at today's price and avoid any increases that inflation may add to the cost in the future.
